Dear Friends,

Thank you for the tickets and the bus ride to see Jazzy Ash and the Leaping Lizards at the Count Basie Theater. My favorite part was when we got to sing and dance to the music. I also loved when the teachers made the train it was funny! I loved all of the songs! I wasn't really into jazz until I went to this. Now I really like it! The guys were amazing. Thank you again. We appreciate your generosity.

Dear Friends,

Thank you for the tickets and the bus ride to see Jazzy Ash and the Leaping Lizards at the Count Basie Theater.

My favorite part was when the lead singer let us all dance when she and her jazz band was singing the best songs I have ever heard.

I also love when they played When The Saints Go Marching In. I love jazz because my parents had a jazz band at their wedding and I listen to jazz music at my house when I'm getting ready for school and when me and my family and I are cleaning my house and little baby garden.
